

### **Matthew 5:27-30**

Jesus is dealing with the heart attitude.

**James 1:14-15** It is lust that draws us away from Godliness and lust yielded to leads to sin and sin leads to death.

**Philippians 4:8-9** show us what we should do instead of thinking ungodly thoughts. We need to dwell, or meditate, on Godly thoughts instead.

**Matthew 5:29** We need to deal with sin in a radical manner. This Scripture is not telling us to dismember ourselves. Jesus is telling us we need to separate ourselves from the things that cause us to lust. We should deal with it hard and immediately.

**Matthew 5:31-32** As followers of Jesus we should be people of our word. If we say it we should do it, even to our hurt.

**Psalms 15:1;4** Do you want to dwell with God? Keep your word and don't change your mind.

**James 5:12** Don't make oaths you don't intend to keep. It is better to make no oath than to make an oath and not keep it.
